

The Terrier Promise: A Commitment to Civility

As a Rocky Hill High School Student:

It is in my own best interest to help create a world, a community, and a campus of compassion, equality, and justice for all people.

It is my responsibility to help build a community which fosters mutual respect and a safe environment for all people, regardless of our similarities and differences.

It is my moral obligation to behave in ways that contribute to a civil campus environment, and I resolve to support this behavior in others.

I therefore commit myself to actively work towards these goals in my daily life. This is my commitment to Rocky Hill High School.
